

September 2014

Dear Chris and Paul

I would like to thank you for the exciting two days of Drama exploration workshops you offered to students at Claydon High School on the 22nd and 23rd of July 2014. Students have talked positively about their experiences and I am sure their memories will stay with them as they continue to pursue Drama in school, future education and the working world.

I have compiled comments from students, and I hope they will encourage you within future work in schools.

"I thought I'd come along to Drama for the day, even though I didn't take it for my options. It was better than I expected it to be. I enjoyed making our own characters up that matched what we liked doing ourselves. Thanks for the experience." Casey-Anne, Year 10.

"I thought the day of Drama was really fun because we got to act in different ways and also find out about the people who were helping us. This made me discover what I need to do if I want to be an actor." Zac, Year 10.

"The day started well and continued to get better. I really enjoyed working with the script (Kind), as well as creating our own performances. The whole experience was fun and I would recommend it to anyone who was interested in Drama. Thank you for a great day." Charlie, Year 10.

"I love doing Drama, and really enjoyed this day of Drama. Thank you Mrs Maton for organising for ART to come and visit us. I got to practice my acting skills and work with people from different year groups, which was really fun! I would love to do more acting workshops like this again in the future." Elizabeth, Year 7.

"I was a bit nervous about doing Drama with people I didn't know but in the end it was lots of fun. I liked that we got to work with different people and perform different plays." Holly, Year 7.

"I enjoyed creating our own play, and also hearing about what it's like to be an actor. I would recommend doing this workshop because it was lots of fun." Katie, Year 7.

"Thank you for the amazing day of Drama. I love acting, and would do it all again. It's great to try acting in different ways; with and without a script, and with people in different year groups. I couldn't recommend it more highly!" Robert, Year 7.

"I really enjoyed myself and thought the men leading the workshop were helpful in giving us feedback and helping us improve. Although it was good working with students in younger years I would have liked to have done the workshop with my Drama class to explore work at a deeper level." Toni, Year 11.

"I didn't take GCSE Drama but used to do Drama in a club outside of school. I was glad I got to take part in the Drama day because it was lots of fun. Thanks for all the help." Chantelle, Year 11.

I wish ART every success in the future.

Yours sincerely

Amanda Maton
