

**Magna Carta College ABE Level 4 Foundation Programme
– Open Session with guest speaker Chris Sivewright from
Almost Random Theatre**

We are grateful to Chris for taking the time on Thursday 11th December to speak with our Business Management students. These students come from a variety of countries including Albania, Mongolia, Uzbekistan and Morocco. The aim of the weekly session is to take the theory they gain in the

classroom and put it into practise, by listening to people who have started up a business, or who are running one now or indeed from those that help support entrepreneurs too. Chris gave a very lively and interactive session with the students on his life in business, all were encouraged to participate and feedback what they knew or could remember as well as telling Chris about their own countries' business practises. Chris ended the session speaking about the latest developments in crowd funding which could help finance the beginning of a business. We really appreciate Chris taking the time to speak with our students – offering a wealth of experience as well as teaching expertise with great humour.
